

Magic (or something less assuring)

Qihang & Vennica

October 27, 19:00 - 22:00, Start performance: 20:00

2WALLS, Werkplaats Typografie, Tweede Leeghwaterstraat 5, Amsterdam

When does reality stop circling around itself? When we stop digging, we don't move. As we dream like pupae in the black earth, we know that our dreams are similar, but they've never been strung together.
A current extracts itself, and runs along the pinewood then goes down a leg.
One part dust cloud, one part heat, three parts gale force wind.
